

NIPT Workshop SSE & Planning (Post Primary)

This workshop is designed to assist NQTs to plan in a focused, effective and efficient manner. School Self-Evaluation is discussed and the implications for the planning process are explored. Requirements regarding planning, preparation and recording of progress are presented. This workshop provides examples of planning templates that can be used to support NQTs' work over the year. Opportunities to discuss and share strategies and ideas will be a central element of this workshop.
