Oideachais Chontae Dhún na nGall

Coding made easy for Primary Teachers

- This course will start with the absolute basics
- No prior knowledge of coding is needed

Day & Date: Tuesday, 16th October 2018

Time: 6pm-8pm

Venue: St. Eunan's College, Letterkenny

Facilitator: Pauric O'Donnell

This will be a hands-on, practical course for primary teachers looking to engage their students in coding.

By using Micro:bit - this encourages problem-solving, computational thinking and team work in the classroom.

It is one of the most accessible and affordable computer science devices available - used from primary school up to the new Leaving Cert Computer Science.
