

**Leading Teaching and Learning through School Self-Evaluation  
An Inspectorate-led seminar**

Date: Tuesday December 11

Time: 1.30 - 3.30pm (Light lunch on arrival)

Venue: Donegal Education Centre

This seminar, presented by members of the Inspectorate, is for post-primary school leaders involved in leading SSE in their schools (principals, deputy principals and others involved in leading the process). It will explore how *Looking at Our School 2016* can be used to support and inform the SSE process and will provide an opportunity for participants to reflect on their school's progress with SSE to date, and where they would like the process to bring them into the future. Schools may nominate up to three people to attend; however, these numbers may have to be limited depending on demand.

Places on this seminar will be limited and will be allocated on a first-come, first served basis
